Subject: Dimock Data

Mark -

Picking your inquiry on Dimock data up for Terri in R3. The isotopic data is online below:

<http://www.epa.gov/reg3hwmd/npl/PAN000306785.htm>

We didn't interpret this data but shared with our office of research and development for use in its HF study.

Do you need anything else re: Dimock?

Thanks,
David
